BCSP SAFETY CREDENTIALS:
PROVEN VALUE FOR YOUR COMPANY

BCSP | Board of Certified® Safety Professionals

THE VALUE OF SAFETY

To build a strong safety culture, an organization's team must own the responsibilities they each have for safety. BCSP provides a comprehensive set of safety credentials that ensure team members have the knowledge and skills they require. These certifications and designations build safety leadership at every level, creating and maintaining an organization whose members share a strong safety culture.

GROUP MANAGEMENT

Organizations that value safety can use BCSP's Group Management system as part of their safety program to support team members' safety certification and gain recognition as a Certification Champion.

Using Group Management, a Group Account Manager can:

- Support groups of applicants and exam candidates through convenient group organization and payment

- Track credential holders' status

- Pay credential holders' renewal fees in one payment

- Gain access to Workforce Development Scholarships offered by the BCSP Foundation

- Receive recognition as a Certification Champion in BCSP media

WHAT IS THE CERTIFICATION CHAMPIONS PROGRAM?

The Certification Champions Program allows organizations to be recognized for supporting employees or members in attaining the BCSP certification. Any organization such as a union, construction firm, project owner, or government agency can join the Certification Champions Program. It provides a competitive edge that promotes safety awareness and training.

There are four levels of Champions:
